DRINKS

We would like to proudly emphasize that all our drinks that contain sour cherries are made from a special, well-known variety of Oblačinska sour cherry, which has been grown for decades on our family plantation in Serbia.

Enjoy a carefully selected collection of Serbian wines and homemade brandy. Our offer combines the rich heritage and authentic tastes of famous Serbian wineries and distilleries - a true experience of Serbian hospitality.

Our wine list has a special place
for the Austrian wines of the Kurz family.

For the third generation, this family has nurtured the winemaking tradition and passion, creating wines that combine the best of geographical origin and superior craftsmanship. We have been cooperating together for many years, and their wines are constantly in our offer - as a recognizable seal of quality that can be felt in every bottle.
